CONDITIONS GROW MORE FLATTERING

W. W. BOOTH RETURNS FROM BUSINESS TRIP TO RAWHIDE.

W. W. Booth returned yesterday from a business trip to Rawhide. He says mining conditions are more flattering than ever. Capital is coming into the camp, and developments show that the veins are holding out with depth. New properties are being added to the list of shippers with a regularity that is astounding. Engineers eminent in the mining world are coming in, making their investigations, and their reports are all the same character, namely, that the ores are there, the veins are true and everything goes to show permanency. Several deals of a large magnitude have been put through in the past week, and money is coming into the camp to assist in the work of making the mines dividend payers.

PROMINENT MINING MAN IS MARRIED

W. J. SINCLAIR WEDS MISS KATIE KELLY IN THIS CITY YESTERDAY.

A pretty wedding was that which took place in the parlors of the Comstock Hotel at 8 o'clock yesterday morning. The contracting parties were W. J. Sinclair, one of the foremost mining men in Southern Nevada, and the other Miss Kate Kelly, one of Tonopah's charming young women and sister of Mrs. George Strosnider. The parlors were decorated with ferns and flowers, and as the bridal party entered they were met by the Rev. Father Butler. Miss Margaret Griffin was maid of honor, while James Kelly, the bride's brother, acted as best man. The bride was attired in a handsome confection of white silk trimmed with Irish lace. This was exchanged for a tailor gown of tan mohair just before her departure for the train. A wedding breakfast was served, and the newly married couple left for a three-weeks' honeymoon at Lake Tahoe.

Mr. Sinclair is well known throughout Nevada and has mining interests in nearly every section of the State. The bride has a host of friends in this city. On their return Mr. and Mrs. Sinclair will occupy Dave Holland's house on Erie Main street.

George Wingfield was in town yesterday inspecting the Mizpah Hotel, and reports that the building will be open for business in the near future.
Leo Hansen, brother of Mrs. C. W. Phillips, and Miss Norda Hansen came in from Oakland yesterday and will continue on to Manhattan in a few days.

CARNIVAL PROGRAM IS FETCHING ONE

EVERYTHING GOING ALONG IN FINE SHAPE FOR THE FOURTH.

Everything is progressing smoothly and assurance is now doubly sure that the carnival which commences on the night of the 3d and continues for two days will be one of the finest celebrations ever held in southern Nevada.

The selection of Miss Frances Gilbert to act as Goddess of Liberty is a most fitting one. She is a Nevada raised girl, having been reared in the camp of Belmont, the old county seat of Nye, receiving her education in the public schools of Tonopah and having graduated with high honors from the high school in this city this year.

Decorator Wise is a busy man these days, and the many floats that will be seen in the procession Saturday are the work of his skilled hands. He has several of them completed, and the way the captain stands and admires them reminds one of Pygmalion bringing to life the beautiful statue Galatea.

The rock for the prize drilling contest, a huge piece of granite which has been set in the middle of the burned area, is attracting a great deal of attention. The handsome prizes offered to the contestants will certainly bring out the best to be found in this district. The oration on the Fourth of July will be delivered from this huge rock, as will the reading of the Declaration of Independence.

The two teams that will participate in the hose race are practicing every evening, and records will be knocked into a cocked hat. Each individual member of the team is doing a ten-second sprint just before dinner each evening.

The committee having in charge the ball on the night of the 3d is preparing to receive one of the greatest crowds that ever attended a similar function. The hall has been decorated; there will be an enlarged orchestra and the printed programs show a diversified order of dances. This committee deserves great credit, and the floor managers are gentlemen who well understand how to conduct an affair of this kind.

The Indian maidens have received permission from the bucks to enter the foot races, and there promises to be a great rivalry in this direction between Squemalt Ida, of the Plutes, and Papaloosa Jennie, of the Shoshones, and undoubtedly several belts of wampum will change hands.

Small boys have been racing their burros down on the flat, and the dogkey race promises to be great sport.

The pony races, foot races, etc., all give promise of much sport.
On the night of the Fourth the remarkable electrician and magician, Trilby Collins, has been engaged to wave his magic wand in touching off the pyrotechnic display. Trilby has officiated on numerous occasions in this capacity, and he is an expert at the business.

On the morning of the 5th comes the drilling contest, and in the afternoon the baseball game between the eagle-Elks and the Montana-Tonopah teams will come off.

The committees last night selected Superintendent Johnson, of the Jim Butler; Superintendent Corkell, of the West End, and Superintendent Blackburn, of the Tonopah Mining Company as judges in the drilling contest.

On sports, on the Fourth of July, foot races, hose races, etc., the committee selected H. R. Hanlin, of the T. & G. R. R.; W. C. Forster, of the T. & G. R. R.; and Morris Teaf, of the Belmont Mine.

Hurrah for the Fourth!

WATCH SULLIVAN SPAR WITH BURNS

(Special to The Bonanza.)
GOLDFIELD, July 1.—A large crowd, estimated at about 800, was out this afternoon to see the boxing exhibition between Jack (Twin) Sullivan, who is to fight Terry Mustang in Tonopah, on the night of July 4th, and Jack Burns, Sullivan's sparring partner. The Goldfieldites have a high opinion of Sullivan, and a large crowd will undoubtedly go to the northern town prepared to back Sullivan to the limit.

MONTANAS WON GAME YESTERDAY

ARE NOW ENTITLED TO PLAY IN THE TOURNAMENT GAME NEXT SUNDAY.

Montana-Tonopah 13
Belmont 10

The above score is the result of the baseball game yesterday afternoon between the Montana-Tonopah and Belmont teams. The game was called at 3:30 o'clock on the California Heights diamond, and despite a number of errors on both sides, good ball was produced. James Kelly officiated as umpire, and his decisions were good. The way he kept the teams playing from start to finish was admired by all the spectators, as there was no wait between innings.

Barr pitched for the Belmont, while Hunter and Westall were in the box for the Montana team, and all did good work. The following is the line-up: Belmont—Barr, p.; McTem, c.; Parris, 1st; Lee, 2d; Kallenberger, 3d; Taylor, s.s.; Cameron, l.f.; Toster, c.f.; Murphy, r.f.
Montana-Tonopah—Hunter and Westall, p.; O'Hara, c.; Osgood, 1st; M. Miller, 2d; Jones, 3d; Baxter and Hunter, s.s.; Force, l.f.; Westall and Stuart, c.f.; W. Miller, r.f.

Base on balls—Off Barr, 3. Left on bases—Belmont, 8; Montana, 6.

PRINTER HEADS THE REVOLUTION

TUCSON, Ariz., July 1.—Manuel Sarabia, one of the three individuals charged by Vice-President Ramon Corral with instigating the present uprising in Mexico and who has been held for several months on a conspiracy charge, expects to furnish bond of \$1,000 and secure his release from the county jail here today.

In an interview Sarabia said: "My plans upon securing liberty are to obtain work in Arizona at my trade as printer. I do not expect to return to Mexico. The charge made by Corral that the revolutionary movement is due to seed sown by us is true in part. We published a newspaper at San Antonio called Regeneracion. Later we published a paper and sent out literature from St. Louis telling of conditions in Mexico as they really are."

"We set forth truths. The people of Mexico are awakening to a realization of these truths and the result is at present armed resistance to the Diaz government. If the present outbreak continues long enough the Yaquis and other Indian tribes will side with our people. Vice-President Corral and Governors Torres and Ysabel are responsible for the Yaqui troubles. They took the Indians' lands and when protested they were driven to the mountains by soldiers."

Sarabia's trial is set before Judge Doan at Tombstone for the fall session.

The belief is expressed by well-informed parties just from the affected districts in Mexico that the Torreño trouble intended to draw troops northward and permit a blow to be struck at the City of Mexico. This view is expressed by a representative of a prominent mining syndicate who has just returned from a tour of the affected section.

ATTENTION, K. OF P.'S.

NEWSPAPER OFFICE ATTACKED

PORT TOWNSEND, Wash., July 1.—Resenting a published newspaper story that was taken to criticize soldiers for an act of vandalism, members of the artillery garrison from Fort Worden came to Port Townsend last night and started a riot.

The glass front of the office of the Evening Call was broken in by missiles. A dozen soldiers, who appeared to be under the influence of liquor, engaged in battle with Chief of Police Barclay and three of his men. The Chief was badly beaten.

ODD FELLOWS AND REBEKAHS

JOINT INSTALLATION IS HELD LAST EVENING, FOLLOWED BY BANQUET.

A joint installation of Odd Fellows and Rebekahs was held last night at Butler Hall. The installing officer for the Odd Fellows was J. J. Owens, who was but recently elected Grand Master of the State of Nevada. Mrs. Oline Stewart, vice-president of the Rebekah Assembly of Nevada, officiated in the same capacity.

An elaborate banquet followed the ceremonies, to which relatives of the members of both orders had been invited. During the repast a musical program was rendered. The following were the officers installed:

Charles E. Long, Noble Grand; Philip A. Lee, Vice-Grand; J. Ross, Secretary; W. M. Sawley, Treasurer; C. G. Hansen, Warden; E. S. Norris, Conductor; C. M. Hooton, R. S. N. G.; W. G. Norris, L. S. N. G.; J. A. Seurlock, I. G.; G. M. Rose, Chaplain; A. Johnson, R. S. N. G.; Eli Millich, L. S. V. G.

Rebekahs—Officers: Miss Hazel Perry, Noble Grand; Mrs. William Sawley, Vice-Grand; Mrs. Florence Swasey, Secretary; Mrs. Bowden, Treasurer; Miss Abbie Strosnider, Warden; Mrs. R. Wardel, Conductor; Mrs. Warburton, Chaplain; Miss Scheld, I. G.; Mrs. Hayes, O. G.; Mrs. Stewart, R. S. N. G.; Mrs. E. S. Norris, R. S. N. G.; Miss Ross, R. S. N. G.; Mrs. Flinn, L. S. V. G.

MANY RAWHIDE PROPERTIES SHIP

RAWHIDE, July 1.—Every week sees new shippers coming in and old ones keeping up with the procession.

A shipment of 175 sacks of ore was sent down by General Manager Jordan of the Lillian lease Wednesday morning to the Gates mill on the flat. The ore is not the high grade that was opened up in this lease some time ago. It is expected that the values of the shipments made Wednesday will not exceed \$80 to the ton. This is the break of the ledge, which is five feet across.

Another shipment was made this week by the Truett. Thirty-five tons of ore from the 150-foot level were sent down, and from the assays secured the returns should be in the neighborhood of \$55 a ton. The Truett is one of the constant shippers of the district, and sets the pace for the others aside from the Kearns No. 1, the No. 2 and the Stinson on the estate of the Royal Mining Company. Possibly the Putnam lease on the Czar claim in the northern section comes a close fourth. Now that the Miller, which adjoins the Truett, is to be classed among the regular shippers, there will be a decided readjustment in the estimation of those interested in the camp as to which shall lead the second division, after the Royal Mines Company lease and the two Kearns leases. Possibly the Jordan lease will take the palm away from all, as the ore here keeps up its phenomenal values, and there are no streaks. This property is on the Mascot No. 1, across the famous Balloon Hill from the Kearns No. 1.

If you desire buying or binding in a first-class manner call up the Bonanza and our solicitor will attend to your wants.
